

# back-to-school prayer night guide

**Pray for students.** Pray that they would be excited to begin the new school year, and for any anxieties to be calmed. Pray for their safety, protection, and provision. Pray for self-discipline to learn and grow. Pray that they would know the Good News of Jesus.

**Pray for teachers, administrators, and staff.** Pray for wisdom and renewed strength to be able to lead the students. Pray for patience, kindness, and perseverance. Pray for clear communication between children, parents, and staff. Pray for grace, joy, and peace as they teach.

**Pray for parents.** Pray that parents would be equipped to help their children succeed this school year. Pray that they would have grace for themselves, their children, and the school. Pray that they would rely on God for understanding and wisdom about what their child needs in order to learn well.

**Pray for church and community.** Pray that the church would have opportunities this school year to minister to those in need of the hope of Jesus. Pray that every household in our community would know the Good News of Jesus and glorify God.
